# WI BEER

**Leinenkugel's®  
Creamy Dark**

Available year-round and aged slowly. Leinenkugel's most award-winning beer has received 7 awards in American Dark Lagers (Bronze 2004, Gold 2002, Silver 2000 World Beer Cup®, Gold 2006, 2005, Silver 2002, Bronze 2004 Great American Beer Festival®) and has the full, deep blackish-brown color of a stout, without its bitterness. Don't let the color fool you. This is a tasty, smooth brew with a nutty, crisp finish, handcrafted since 1999 from a rich blend of six malts and Cascade, Cluster and Mt. Hood hops.

*Available on draft or in:*

- Six-pack long-neck bottles or by the case
- 12-pack long-neck bottles

Lutefisk: literally means “lye fish”,

This is a picture of traditional Norwegian lutefisk with extras (potato, bacon and mashed peas). It was taken in December 2005.
